## Front-End Web Developer, Honorably Discharged U.S. Marine & Attorney

Smart, decisive, and capable professional who brings a lifetime of experience and a unique view of the world. A strong and tested leader with the ability to get work done and accomplish the mission under any conditions. Excellent research skills and understanding of complicated topics and subjects from years of legal practice.

Certified full-stack web developer from Rutgers University Coding Bootcamp program with five years of software development experience.

Honorably discharged from the U.S. Marine Corps following wartime service in Operation Enduring Freedom and Operation Iraqi Freedom.

## Technical Skills & Competencies

**Languages:** : JavaScript ES6+, TypeScript, SQL

**Applications:** GitHub, GitLab, MongoDB, MySQL, Postman

**Tools and Frameworks:** React, NodeJS, NextJS, Express, Docker, Redux, Material-UI, Apollo, Adobe Creative Suite, AWS Cognito

**Skills:** Accessible UI/UX design, deep understanding of WCAG guidelines, responsive web design, AGILE development methodologies

## Projects

### Congressional Bill Tracker

July 2021

This is a full-stack web application that allows users to browse all current legislation being passed and debated by the U.S Congress. Users can create an account, sign-in, and see a dashboard which shows their representatives as well as bills that they highlighted as favorites. Front end developed using React, JavaScript, and Semantic UI. Back-end development uses MongoDB, JWT, Express, and Apollo.

*This is a work in progress side project that I continue to support and use as a training ground for new skills and development. I hope to one day launch this app and make it public facing.*

## Career History

### Software Engineer | Remote

2021 to Present

#### Front End Developer | Ergonomic Group | October 2021 to Present

- Worked with a small, nimble team of both front-end and back-end developers to build and maintain a unique, customizable sales platform called Incompass, using React with a full Typescript implementation.
- Handled timely deployment of new features and customization options at the direction of development and project leaders.
- Consistently met production deadlines and merging of needed hotfixes to issues as they arose.
- Incorporated third-party APIs to enhance user experience.
- Provided insight into making the Incompass app more accessible to users with disabilities based on personal experience while testing, debugging, and building phases.

**ATTORNEY | New Jersey****2017 to 2021**

*Conducted case research, discovery, and investigations to construct comprehensive evidentiary-based defense litigation. Mastered time-sensitive legal research skills for high-stakes, complex litigation. Administered day to day small business operations, including marketing and client retention.*

**Prosecutor | Township of Bloomfield | January 2020 to April 2021**

- Maintained seamless court sessions in a high-pressure, high-stakes environment; effectively minimizing delays and major interruptions and efficient administration of large daily dockets.
- Consistently recognized by both peers and Judges as an exceptional advocate despite being new to the position and the legal profession.

**Chief Counsel | Law Office of David V. Rullo, LLC | May 2018 to April 2021**

- Grew criminal defense private practice from ground up, building strong client base for criminal defense representation within superior and municipal court jurisdictions.

**Of Counsel Attorney | Curcio, Mirzaian, Sirot, LLC | May 2018 to April 2020**

- Used in-depth understanding of criminal law to bolster firm business and provide unique insight into existing firm policies and procedures.

**POLICE OFFICER / DETECTIVE / COMMANDER | Montclair, NJ, East Orange, NJ****2005 to 2018**

*Ensured safety and security of citizens, property, and community through deployment of standardized police protocol during patrol activities, investigation, arrest, and trial testimony.*

- Served as Montclair Police Honor Guard Commander, a group considered New Jersey's best police honor guard.
- Chosen as featured speaker for several police and community forums.
- Championed implementation of several key progressive policy changes.
- Promoted to the rank of Detective after 4 months with the East Orange Police Department.

**F.A.S.T. MARINE / INFANTRY SQUAD LEADER | United States Marine Corps****1998 to 2004**

*Honorably discharged from activity duty following service during Operation Enduring Freedom and Operation Iraqi Freedom.*

- Deployed to Iraq for combat operations (March 2003 to August 2003).
- Responsible for carrying out assigned orders and maintaining focus and safety of 18 Marines.

## Education & Professional Associations
